

Stylish, Innovative Readers Will Light Up Your Customers

**EASYLIGHT™ Reading Glasses Are Now Available
at Preferred Prices From Invenio Enterprises**

Product Features

One of the great eyewear innovations of the last decade, these stylish Italian-designed readers are far more than simple eyewear. Two LED bulbs integrated into the frames can be turned on independently to improve vision in low-light situations:

- Reading in bed when your partner is asleep
- Reading restaurant menus or theater programs
- Repairs or DIY jobs with limited visibility
- Hobbies & craftwork
- Finding dropped or lost objects

Fun, fashionable, and functional, **EASYLIGHT™** non-prescription LED Reading Glasses are easily switched on and off. Each pair comes in a clear plastic case with a spare set (4) of standard lithium batteries that are easily installed with no tools! The lightweight, super-comfortable frames are so stylish, buyers will want to wear them even in the brightest conditions.

Cost, Display & Ordering

- Each display contains 42 pairs (6 styles in 7 diopter strengths)
- Small display footprint measures only 15"W by 13"H by 13"D
- **"Plug-in" demo pair stays lit on display to attract attention**
- **Price:** \$11.25/pair, \$472.50/case (42 pr.), a 10% discount from the usual \$12.50/\$525 price
- **Shipping is free on orders of 84 or more pairs**
- Refill orders can be customized to any combination of styles and diopter strengths
