

FLUARIX QUADRIVALENT (Influenza Vaccine) and FLULAVAL QUADRIVALENT (Influenza Vaccine)

EARLY RESERVATION DISCOUNT

Customers who prebook by March 31, 2020 will receive an early reservation discount of 2% on all prebooked doses.

DELIVERY GUARANTEE

Vaccine deliveries will start in August 2020, with a guarantee to deliver 100% of vaccines by October 2, 2020.

Customers who prebook by March 31, 2020 are eligible for a delivery guarantee discount of 10% off all prebooked doses that are delivered after October 2, 2020 at the fault of GSK.*

RETURN PRIVILEGES

Unless otherwise specified in the purchasing agreement or by state law, participating members will be eligible to return up to 30% of each branded presentation of GSK Flu Vaccine doses purchased via GSKDirect for full credit (the 30% eligibility is applied per product NDC). In order to qualify for return reimbursement of eligible Flu Vaccine doses, customers must obtain a **GSK-issued Return Goods Authorization (RGA)**. The RGA can be obtained via [GSKDirect.com](https://www.gskdirect.com) or by calling the GSK Vaccine Service Center at 1-866-475-8222.

Eligible Flu Vaccine doses returned must be received at the GSK Return Goods Vendor (Inmar) within the Flu Vaccine Return Period, unless otherwise specified by state law. GSK will notify eligible customers of the return window begin date and end date ("The Flu Vaccine Return Period") and when the RGA will be available. Flu vaccines returned without the RGA and/or received outside of the eligible Flu Vaccine Return Period, or outside the period provided by state law, will be reimbursed Federal Excise Tax (FET) only.[†]

- With the exception of terms that conflict with the purchasing agreement (in which case the purchasing agreement terms supersede all other provisions), all other GSK Return Goods Policy provisions apply as published on [GSKDirect.com](https://www.gskdirect.com). GSK's Return Goods Policy is subject to change on [GSKDirect.com](https://www.gskdirect.com) without notice

Fluarix Quadrivalent
Influenza Vaccine

FluLaval Quadrivalent
Influenza Vaccine

*A specific notification will be sent when reserved doses are available for shipment. Any changes or cancellations must be made within 7 days of receiving the email notification or the vaccines will ship to the prebooking location in the originally ordered quantity.

[†]GSK-issued Return Goods Authorization (RGA) – GSK will provide customers with a document in the form of a debit memo authorizing the return of eligible Flu Vaccine doses. Please note, the creation of a Return Box Label through the GSK Return Goods Vendor (Inmar) is not a guarantee of reimbursement and is not to be used in place of a GSK-issued RGA.
