

IMBUE CBD PREFERRED APRx VENDOR

The Perfect CBD Products for Today's CBD Patients

Carrying the right mix of CBD products for your patients doesn't have to be a chore. At Imbue, we've done the work for you. Our High-MG CBD products are what your patients and health and wellness customers are looking for to deliver exceptional clinical efficacy with excellent value.

As a PREFERRED APRx partner, we've made the process foolproof. Order our mix of High-MG products and take advantage of Today's CBD market.

"At American Pharmacies, we choose our preferred vendors based on demonstrated leadership, honor, and integrity; Imbue is a strong fit. I use Imbue's products every day and am confident their quality of product and service is what our members and their patients would expect from a partner of American Pharmacies."

Laird Leavoy, President
American Pharmacies

TOPICALS

The strongest Full Spectrum salves on the market when nothing else will do. The SAME PRODUCTS you've grown to love but NOW WITH TWICE THE CBD and a lower price! And our exceptionally well-reviewed, proprietary em.body topical CBD lotion provides unrivaled comfort. Now with DOUBLE the CBD.

"Not all CBD is created equal. In fact, many CBD brands don't live up to their label claims. Imbue CBD stands out as a highly effective, quality brand my patients love. Give Imbue a try!"

Dr. Steven C. Hoffart, Pharm.D FAFM
Magnolia Pharmacy, Texas

TINCTURES

Our TRUE FULL SPECTRUM, High-MG Imbue Tinctures of Hemp Extract are uniquely formulated with organic vegetable glycerin for superior taste, unmatched absorbability and improved bioavailability. Available in 500mg and 1000mg and our best-selling 250mg elevated 2 ounce.

CAPSULES

Imbue capsules aren't your ordinary run-of-the-mill CBD capsule. We developed the very first CBD capsules. Our vegan capsules are formulated with organically grown hemp seed oil to improve absorbability resulting in capsules that truly perform. Our 25mg and 50mg capsules are ideal for pharmacies.

GUMMIES

Our highly unique gummies are a convenient, fast acting, no water required, GREAT TASTING way of getting your CBD! These all-natural gummies are formulated with all organic ingredients and contain no gelatin. As with our capsule, Our 25mg and 50mg gummies are ideal for pharmacies.

OTHER WELLNESS PRODUCTS

Our 5 matrix mushroom capsule and our NEW 5 matrix mushroom gummies are formulated to work with our CBD products, while providing a host of additional health and wellness benefits.
